EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Christopher Rothe for Joshua Cohen on 04/25/06.

The application has been amended as follows:

Claim 22 has been cancelled.

The following is an examiner's statement of reasons for allowance: The prior art of record since it does not teach or render obvious a collection cup in combination with all the elements and further including the trough formed in the lid of the cup. With respect to claim 1, the prior art of record does not teach or render obvious the collection in combination with all the elements and its structural and functional connectivity and further including at least one aperture in a surface of the trough which performs the function as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
